Dear Milestone HOA Homeowner:

Summer is just around the corner and it's time to register for your pool passes!

Abaris will be using the same online pool registration system called Access Granted, as was used last year. We ask that all residents take the following steps to correctly register for the 2024 pool season:

### New & Existing Residents

1. Please visit the pool registration website, via Access Granted, using the following link: <https://swimmingpoolpasses.net/milestone/>
2. Please fill out the registration application by clicking the blue button "Apply Online".
3. Please fill out the form and upload the information/household members on your account correctly for the 2024 season.
4. Once you have completed your registration online, Abaris will receive a confirmation email. At which time, your online registration will be verified to ensure that your HOA account balance is current and that a current lease is on file if the registration involves a tenant.
5. Abaris will contact residents directly if for any reason their online registration cannot be approved and explain what steps must be taken to get your registration approved.
6. Once your online registration has been verified, your passes will be reactivated, or new passes will be mailed within 7-10 days of registration verification. Keep your passes for next year.
7. The pool pass registration will be done via the following link: <https://swimmingpoolpasses.net/milestone/>
8. Enclosed are detailed directions on how to complete the registration of each homeowner's occupants within the online system.
9. This information will then be validated by Abaris as the pool administrator who will oversee and approve all registrations that meet the following criteria:

**A Resident is defined as someone who permanently resides within Milestone HOA.** Your street address is your primary residence and where you officially receive mail and are registered to vote. Abaris Realty, Inc. reserves the right to request a valid government issued ID to confirm residency.

**Renters/Tenants pool membership is associated with one family per street address.** An owner of the property must declare in writing to Abaris Realty, Inc. whether an identified renter/tenant may be granted a pool membership for the season instead of the owner. If the owner chooses to use the pool membership for the season, the renter/tenant will not be eligible to apply for pool membership. **For all tenants, a copy of the current rental lease is required in order to be validated within the system.**

If you believe a household member has been denied validation in error, please provide a valid government issued ID to Abaris Real Estate Management at:

**Abaris Real Estate Management**

Enclosed are the general pool rules that will be in effect during the pool season. On behalf of the Board of Directors, I hope you have a great summer at the pool and please stay safe!

Sincerely,

## Pool Application

This year, we will be using the same pool pass system as last year: Access Granted Systems. **If you applied for and received your passes last year, you do not have to apply again. These passes are your permanent passes for as long as you reside in the community.** Children under the age of 2 will not be required to have a pass. If you are renting a property, you will be required to provide a copy of the first page with the property address and the signature page of your lease. Pool passes will only be issued to owners that do not have an outstanding financial obligation to the Association. To apply for your passes, please go to the pool pass portal at:

<https://swimmingpoolpasses.net/milestone/>

We encourage residents to use the on-line portal to register for your passes. However, there is an option to print the pool pass application directly from the portal which can be completed and returned by USPS mail. If you choose this option, please be sure to also print, sign and return the "Pool Use Agreement" with the application so your passes can be issued. A signed agreement must be on file to receive pool passes for your household. NO exceptions. There is no charge for the pool passes. However, if you lose or misplace a pass there is a fee of \$3 per replacement pass. Reminder: please keep your passes at the end of the season as they are your permanent passes for as long as you reside in the community.

Each household will also receive ten (10) free guest "clicks" at the beginning of the season. Additional guest passes ("clicks") can be purchased for \$10 and will include an additional 10 clicks. Information of how to purchase additional guest passes can be found on-line using the above URL. Please note: you will not receive a hard guest pass. The guest "clicks" will show up under your property address when you check in at the pool.
